Dear Parents/Carers

Re: Facial Piercings

A small number of students have returned to school from the Christmas break with facial piercings. Whilst I understand that these are seen as extremely fashionable I am afraid that they cannot be worn whilst attending school. The school uniform rules are quite clear in stating that any such piercings are not allowed and I would ask any parent/carer who wishes their child to have such an item to organise it so that it can be fully healed and can be removed on arrival into school.

Any student arriving in school on Monday 17th January with a facial piercing will be kept in isolation until it is removed.

Yours sincerely

Mr A Russell
Headteacher
